

SWIMMING

Campers swim every Wednesday and Friday at Lincoln Park Pool. Level 2 campers must take a swim test before being able to go in the deep end of the pool.

ALL campers will be able change after swimming. In order to allow enough time for swimming, please send your camper to camp on Wednesdays and Fridays with their bathing suit on under their clothes. This will allow the campers to have as much time as possible for swimming.

DON'T FORGET TO APPLY SUNSCREEN!
